

# Fall Clinic Schedule

## **Sept 19 – Fall Container Gardening**

**11:00 AM - Terri**

Are your pots and containers filled with spent annuals and tired plants from the summer heat? It is time to “zhoosh up” with a fresh look of hardy perennials, late-blooming annuals, and other fall favorites. Terri shares her creativity, plant combinations, and everything you need to bring those containers back to life.

## **Sept 26 – Planting Fall Bulbs**

**11:00 AM - Terri**

Spring showstoppers start in the fall. The amazing bursts of spring color don’t just happen...they are planted ahead of time. Join Terri and discover how easy it is to fill your containers and flower beds with fall-planted bulbs. Spring sun brings the magic of cheerful Daffodils, colorful Crocus, a rainbow of Tulips, and more!

## **Oct 3 – The Metamorphosis of Fall Planting**

**11:00 AM - Terri**

The changing season brings more than cooler days—it brings a spectacular show of color! Many deciduous trees and shrubs transform before our eyes, shifting from one stunning shade to another. Join Terri and discover how to bring these seasonal eye-catchers to your landscape and containers for color you’ll enjoy all season long.

## **Oct 10 – Fabulous Evergreens that Pop with Winter Color & Texture**

**11:00 AM – Terri & Bram**

Winter rolls in and the season can be bleak, rainy, and cold. It doesn’t have to be if you plan ahead. Join Terri and Bram as they discuss how adding evergreen trees, shrubs, and perennials, can bring the shine of cool blue hues, the sparkle of silvery needles, and the deep shades of green that can wipe away any winter doldrums.

## **Oct 17 – Putting Your Garden to Bed for the Winter**

**11:00 AM - Terri**

If you are looking to ensure your planters and gardens get off to a quick and healthy start, this is the clinic for you. Terri discusses tool storage, preparing plants for colder temps, feeding, fertilizing, and more. Attend the clinic, make your late season preparations, and watch your landscape wake up in bloom next spring.

**All clinics are Free and RSVP is not required.**
