

2026 Clinic Line Up

Apr 4 – Pruning Fruit Trees and Ornamental Plants – Gary Ingram – 11:00 AM – 1:00 PM

Pruning can seem a bit daunting. Join Gary, an expert Western Washington fruit grower, as he simplifies the process so your plants are beautiful, your harvest is abundant, and your worries are few. He takes the fear out of “making the cut” and shares some expert tips along the way.

Apr 11 – Gardening with Cool Crop Vegetables – Terri & Dalene – 11:00 AM – 1:00 PM

Now is the time to get your hands dirty and plant lettuce, spinach, kale, and other delicious cool crop veggies. We firmly believe that the best foods are those grown at home. With a few tips, you too will have a green thumb producing lots of tasty leafy goodness.

Apr 18 – Pruning Berries – Gary Ingram – 11:00 AM – 1:00 PM

Fresh berries are the taste of summer, and there are none better than home grown. Gary will show you how using proper pruning techniques will reward you with bushes full of sweet and juicy berries. Join us and take the guess work out of pruning your huckleberries, raspberries, blueberries, blackberries, and more.

Apr 25 – Gardening with Long Blooming Perennials – Terri – 11:00 AM – 1:00 PM

When you plant with perennials you are rewarded with a garden full of color and blooms all year long. Plus, once planted, perennials return each year. That’s like getting new plants every season without the work. Join us to discuss choosing perennials and how they can make all the difference for a long blooming season.

May 2 – Gardening Vertically – Terri – 11:00 AM – 1:00 PM

This clinic looks upward as it focuses on plants that climb and hang. See how pairing trellises, fences, and rockeries with Clematis, Vines, and Climbing Roses can take your garden to new heights. The sky (and your imagination) is the limit on what you can do!

May 16 – Rhododendron Truss Show – American Rhododendron Society – 10:00 AM – 2:00 PM

Our annual visit from the Pilchuck chapter of the American Rhododendron Society. This open house style event showcases some of the finest Rhododendron blooms of the season. Stop by and “ask the experts” about this beautiful shrub that Washington State calls our state flower.

Clinics end with a Q&A session, are free, and RSVP is not required to attend.
